THANK YOU!

Get Started!

STEP 01 Receive and wash your new product

Unwrap it and read the Guide Lines on the back side of the packaging.

Wash Alisa Home food mill before the first use.

Disassemble knob and discs (the product is delivered with the 3 discs inside the mill, when you use the food mill insert only one disc at a time and always with the convex part upwards)

STEP 02

Get inspired by 'Planet Food Mill'

Inside the follow-up email download the 'Use&Care Manual' PDF and the free recipes ebook PLANET FOOD MILL': choose one of the gorgeous recipes of soups, pasta and appetizers at your choice

STEP 03

First use

- #1 Choose a disc to obtain your favorite texture
- #2 Easily assemble the product
- #3 **Make sure to cook your food before processing it with the food mill:** this is essential for a proper use and a great result
- #4 **Only rotate your food mill when food is inside** because efficiency in processing the food is linked to the pressure.
- #5 Experience the comfortable use of a stable placement over pot or bowl, thanks to the three notched legs

STEP 04

Cleaning & storage made easy

Dishwasher safe up to 60 ° C, in the upper basket. Thanks to the special hole in the handle, Alisa Home food mill can be hanged on a hook for storage

For our amazing customers we made up PLANET FOOD MILL a comprehensive recipes ebook that you'll receive for free through the Amazon emails system: add pictures from your gorgeous dishes when you leave us a review on Amazon or our Facebook page

DID YOU OPT-OUT FROM AMAZON EMAIL SYSTEM?

In this case you don't automatically receive 'PLANET FOOD MILL' and the Use&Care Manual (full of useful tips) - Don't worry! You can get them right away by leaving your email here www.alisa-home.com/planetfm
